PRIVACY

Shift your family spa experience from the daunting task of lifting the cumbersome cover to enjoying your spa more often than ever before.

The Covana is an automated privacy gazebo and cover enclosure that rises above your spa at the turn of a key.

Turn your backyard hot tub into the relaxing refuge it once was. With the Covana automated privacy gazebo and cover enclosure safety and privacy are no longer a concern.

The Covana's shades and screens provide privacy and shelter, creating your own private oasis.

The Covana securely locks in place either extended or closed. Its keyed entry provides absolute security and safety against intruders.

This is by far the best and safest hot tub cover on the market.

COVANA™

Top-Up Your Family's Spa Experience

- Privacy and seclusion when you want and need it
- Ease of use and ease of entry
- Adding value to your spa investment
- Safety in the lock down position
- Peace of mind while away
- Protection from the elements thereby preserving the life of your spa
- Increases the value of your investment
- Minimal water evaporation thereby saving on water, chemicals and heating of the spa
- Similar to a garage door system, minimal horsepower is required, lowering the costs and wear and tear on components
- Never replace your spa cover again

Combining your spa with an automated hot tub privacy gazebo and cover allows you to use your spa more and to reap the benefits of hydrotherapy.
