We will provide you with a report of what we have carried out and advise you of anything we come across that we feel needs to be brought to your attention.

Quarterly Water Change

It is recommended by BISHTA (British and Irish Spa and Hot Tub Association) that the water in a hot tub is changed every 3 months for the average user. Heavy usage may require more frequent changes.

Our quarterly water change package is 100,00 € and includes the following.

- Using Hot Tub Flush to clean plumbing and pipes
- Pump out the dirty water
- Clean the filters and traps
- Clean the spa shell and behind the head rests
- Wash and protect the hot tub cover
- Re-fill the hot tub
- Check the filter cycles

Monthly Service

The Monthly Service includes the complete Technical and Water care of your Hot Tub to give you complete Peace of mind and absolute Relaxation.

This Service is customized to the Needs of our Clients and costs between 60,- to 100,- € .

Give us a ring and ask for your personnel Quotation.
